

analytik.co.uk presents...

Innovative Analytical Solutions!

On-site Mini Exhibition

Thursday 4th February

Cyber Café, Chemistry Department, University of Cambridge

A must see for all scientific researchers & technologists!

+ Free digital DAB radio prize draw

+ Free chocolate biscuits

Join us as we showcase our diverse range of innovative analytical solutions, including:

- **Disc Centrifuge Particle Sizing**
- **Miniature / Modular Spectroscopy**
- **Handheld NIR Analysis**
- **Polarimetry and Refractometry**

Also on show from ChromSolutions will be:

- **Centrifugal Partition Chromatography**
- **Solid Phase Extraction Consumables**
