## **Analytik appoints new Business Support Administrator, Jackie Tilley, formerly of NIRAS Consulting Ltd**

*Cambridge, UK, 22<sup>nd</sup> June, 2016: Analytik, leading suppliers of innovative analytical instrumentation, welcomes their new Business Support Administrator.*

**Jackie Tilley** has been appointed as the new **Business Support Administrator**, taking responsibility for administrative and logistical matters at Analytik. She joins Analytik from NIRAS Consulting Ltd and brings outstanding organisational skills with experience across multiple industries. Jackie has been previously involved in providing high level administrative support to Senior Directors, managers and team leaders. She has extensive experience in arranging international and domestic travel as well as organising conference and exhibition attendance. Jackie was key in developing and monitoring a company website and is passionate about providing outstanding customer service. She has a degree in European Business Studies from Buckinghamshire College of Brunel University. Speaking about her new job, Jackie says "I am delighted to join Analytik and am looking forward to a new challenge. I believe my strong administrative and organisational background will help further develop the team and provide support to the Office Manager in helping the Business grow and progress."

Office Manager, Louise Powell, commented how pleased she was that Jackie had joined the team. "We have enhanced and improved our sales support function considerably in the last six months and Jackie will play an important part in our expansion plans. Her extensive administrative experience will be a valuable asset to Analytik's ever growing customer base."

The Analytik Ltd team wishes Jackie every success in her role with the company!

**About...Analytik** are leading suppliers of innovative analytical instrumentation to the UK and Ireland. Delivering cutting-edge solutions from global technology providers, coupled with responsive service and flexibility has enabled Analytik to build an impressive customer base since forming in 2003. Analytik's partners include Agilent Technologies, ASD Inc.(a PANalytical company), SciAps, Microfluidics, Sentronic, GL Optic, Avian Technologies, GeSiM, CPS Instruments, Videometer, Headwall Photonics, Quantum Northwest and Schmidt + Haensch. Solutions include portable and handheld spectrometers (FTIR, NIR & Raman), spectral imaging systems, light measurement systems, reflectance standards and coatings, non-contact nanolitre dispensing systems, nanoparticle size analysers, high shear fluid processors, sample temperature control systems, polarimeters and refractometers.
