## **Analytik move to prestigious new premises near Cambridge**

Swavesey, Cambs. – Analytik is pleased to announce it has purchased a prestigious new premises based just outside Cambridge. The grade II listed property, a refurbished 17<sup>th</sup> Century Barn offers a convenient location and a major expansion in floor space – both of which will help Analytik to further improve its service to customers.

The long term move and commitment is indicative of the company's ambitious growth plans and subsequent rapid expansion since it was founded in 2003 by Managing Director, Ian Laidlaw.

Ian commented; "As a provider of niche analytical instrumentation to the scientific community, the Cambridge location was certainly very important to us and I am delighted that we have put Analytik at the heart of the UK's largest technology cluster. Also, the significant expansion in floor space provides increased opportunities for on-site customer demos, on-site seminars, user group meetings, and many other customer focused events – something that we have been keen to expand for a long time".

The distinctive converted barn is set in attractive landscaped grounds and contains impressive architectural features throughout. Part of the new Cygnus Business Park development in Swavesey, the new premises is ideally placed for easy access to junction 28 of the A14 (Cambridge) linking to the M11 (London and Stansted) and A1 (M). Telephone and fax numbers have remained unchanged.

New address: Barn B, 2 Cygnus Business Park, Middle Watch, Swavesey, Cambridge, CB24 4AA
